

"If you talk to a man in a language he understands, that goes to his head. If you talk to him in his language, that goes to his heart." —Nelson Mandela

JPLI students come from across town and across the globe, from small towns and big cities. They possess a wide range of language abilities and professional experiences and represent a seemingly endless variety of personal, socioeconomic, racial, religious, and political backgrounds.

At **JPLI**, students come together to form a community that not only learns from one another, but lifts each other up, supports, sustains, and energizes each other, and is committed to making sure that every member of our community can thrive.

TRANSLATION / INTERPRETATION

The services include interpretation, subtitling, voice dubbing, and language courses for businesses, individuals, and government. We pride ourselves on both speed and accuracy. JPLI standardized translation/interpretation management procedures guarantee that our clients receive the most accurate and professional product as efficiently as possible.

HOW WE DO IT

Projects can be mailed, faxed or emailed to JPLI Translation Service Department. Please include any pertinent project information (include deadline, formatting, language etc.).

JP Language Institute,

located at 25 Melville Park, Melville, New York, is an internationally recognized nonpolitical institution, certified by New York State and Federal government. JPLI was founded in 2015 by a group of linguistics professionals from various institutions in the New York area.

JPLI offers Arabic, Chinese, English, French, German, Greek, Hebrew, Italian, Japanese, Korean, Latin, Portuguese, Russian, and Spanish courses to groups and individuals from beginner to advanced levels in a supportive environment.

JPLI also offers TOEFL/ GRE preparation courses for international students seeking admission to American universities, as well as HSK and NYSTCE preparation courses for American students seeking admission to Chinese universities or Mandarin language teaching certification in the U.S. We are determined to maintain an optimal learning experience. Our educators have created 7 levels of proficiency for our English and Mandarin Chinese courses and a review process that ensures students are always at their best stage of learning.
