COURSES

ABOUT JP LANGUAGE INSTITUTE

We are located at 200 Broadhollow Road in Melville, New York. We are an internationally recognized nonpolitical institution, certified by New York State and recognized by the Federal Government.

JPLI offers language courses in American English, Arabic, Chinese, Japanese, French and Spanish to groups and individuals from beginner to advanced levels in a fun, supportive environment.

We provide a variety of language translation and interpretation services for personal need, and business and government agencies. We specialize in translating legal documents and medical records, as well as interpreting business and legal negotiations

AFTER SCHOOL PROGRAMS

The goal of the Program is to create an atmosphere in which children feel confident and excited to develop their **language and mathematics** skills, interests and to explore new ones. The programs offer an unique blend of fun and educational opportunities.

CHOOSE THE LANGUAGE YOU INTERESTED

1. MENTAL

ARITHARITHMTIC

Our mathematics course covers beginner mathematics to advanced algebra, trigonometry, calculus and more. All of our courses are aligned to your local curriculum.

2. ART(Scratch, Water color and oil painting , Calligraphy, Hand Crafts)

THE BENEFIT to YOUR KIDS

- ◇ A small group of study
- ◇ Improving student communication skill
- ◇ Improves calculation skills.
- ◇ Enhances gross motor skills.
- ◇ Develop student problem-solving ability.
- ◇ Build confidentiality
- ◇ Improves memory and concentration capability.

Students utilize innovative language technology to develop advanced reading and writing skills, as well as brain functional activities.

“The language gap is drawing growing attention amid a push by psychologists and educators to build numeracy in small children—the mathematical equivalent of literacy “
