

Coronavirus (1) update 03/17/2020

Dear students and parents,

I would like to thank all faculties, students, and staff members' patience and understanding as we all work together to navigate this unprecedented situation. JPLI is closely monitoring the COVID-19 development and is doing our best to follow government guidelines. It is important to note that at this time there are no known cases of COVID-19 within the JPLI organization or its students.

Due to the size of our classes (2-4 students), we have decided that all classes are to proceed per regular schedule until March 22. For some classes, we will offer optional online classes for the week of March 23rd until March 29th and will notify students later this week during class. In the event that the institution is closed for any reason, you will be notified through the phone, email, website, and social media accounts.

If you have any questions or concerns please feel free to reach out to the admission office.

Yours truly,

JP Language Institute
