CREDIT AND REWARD PROGRAM

JPLI offers students credit points in many ways. With credit points, students can earn scholarship or other rewards.

Credit Points

- Class attendance 10% (Students who don't miss any classes in one section will gain points. However, students who miss more than two classes will lose 2 points on every class they miss.)
- Class participation 10% (Student participation is based on the quality of student's contribution to the ongoing class discussion and success in leading the classroom in productive, analytical directions.)
- Homework 20% (Students are highly recommended to finish their homework on time. (Credits will be given depending on the quality. Late or unfinished homework will result in lost points.)
- Quizzes 20% (There will be 8 quizzes for a section, each will influence 5% of your final credits.)
- Academic performance 40% (Students' comprehensive capability shown in class considered from four aspects: Writing, Listening, Speaking and Reading.)
- Cultural Events as extra credit. (JPLI will hold cultural events to help student learn more about the culture that he/she is interested in. Students who join these events may also earn credits.)

Reward Points

- Consistency - Students who are constantly registered at JPLI's classes will be considered for education scholarship.
- Referral - Students or parents who refer JPLI's program to talented friends or family members from non-current students can get rewards after the referee's successful attendance the program.
